BAUBLES AT THE BEACH

THE CASUAL-COOL JEWELRY BRAND **JEMMA WYNNE** ARRIVES AT MAYFAIR ROCKS.
BY CALLIE CHUTE

Jemma Wynne—a jewelry line with a flair for color and modern design, founded by Jenny Klatt and Stephanie Wynne Lalin—will be sold at Mayfair Rocks in East Hampton all summer long. “We both love designs and pieces that are super luxurious but effortlessly worn,” says Klatt. That sounds like the ideal mix for a day—and night—in the Hamptons. “I love our big hoops and slider bracelets for the perfect transition from the beach to dinner,” adds Lalin. “At the beach they go perfectly with a bathing suit and cover-up, and at night they look effortless with a long flowy dress or white T-shirt and jeans.” *Mayfair Rocks, 19 Main St., East Hampton, 631-329-8444; mayfairrocks.com*

CLOCKWISE FROM ABOVE: One-of-a-kind custom 18k rings and earrings from Jemma Wynne (prices on request); the Jemma Wynne showroom, designed by Daun Curry; 18k yellow-gold necklaces, bracelet, and earrings with diamonds and emeralds (\$3,885-\$7,350); Jenny Klatt and Stephanie Wynne Lalin, whose Fifth Avenue store in Manhattan has a sleek yet playful vibe, much like its jewelry.
